Re: Medical Staff Roster

To Whom It May Concern:

This roster, which is updated quarterly, contains the names of the members of the Medical Staff and Allied Health Professional Staff of St. Elizabeth Healthcare – Grant County, Covington, Edgewood, Florence, Ft. Thomas and Falmouth. This letter is to verify that the individuals listed on this roster are in good standing at St. Elizabeth. There is nothing in the credentials file to indicate that any individual:

1. has been disciplined, suspended or involuntarily dropped from the Medical Staff or Allied Health Professional Staff (excluding suspensions for delinquent medical records);
2. has any physical, chronic or recurring illness which may limit his/her performance.
3. has involuntarily withdrawn his/her privileges because of lack of ability, training, or questions of judgment;
4. has been under investigation by a quality care committee which resulted in restriction of privileges;
5. has voluntarily surrendered or restricted his/her privileges to avoid investigation or while he/she is under investigation.

To inquire about a professional not listed on the roster, please include a signed release of information statement from the individual. For additional information, please contact the Medical Affairs Office at (859) 301-2115.

Sincerely,

A handwritten signature in cursive script that reads "Mary Ann Arnold".
